WHAT A GREAT TEAM.

Danson called me this morning to let me know what time he would arrive

He walked through with me.

He and all of the men were gracious, polite, hard working + literally never took a break.

I even offered to order lunch after the house was packed, prior to departing to my new location + they politely declined.

Every care was taken to protect my property, floors, carpets etc....

Thank you, THANK YOU, THANK YOU!
